# NEW ZEALAND TREE PROJECT

Mission to photograph an entire NZ tree

And share rich human & natural history through documentary

With inspiration from Nat Geo

Celebrate New Zealand forests

Educate a broad audience

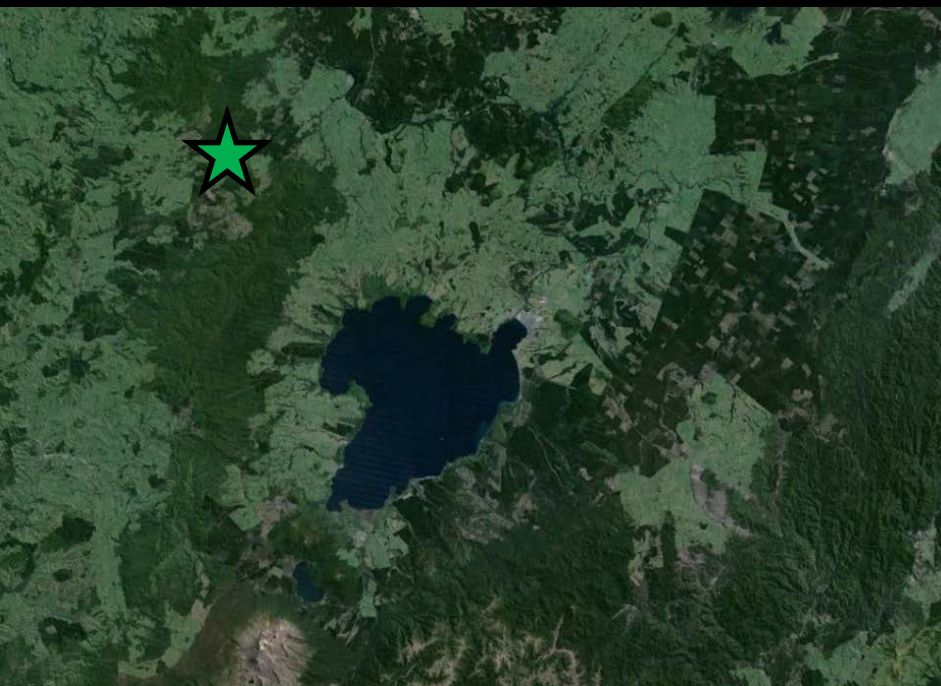

Engage all walks of life

Promote collaboration

- Team of climbers
- Two photographers
- Scientists
- Local Maori (indigenous peoples)

How?

- Climbed & rigged many 40m+ trees
- Cable-cams installed both vertically & horizontally
- 29 days in the forest
- 100s of hours of video
- 120,000+ still images
